

Ophthalmology Clinic

402-232-2273, ext. 3444

Clinic hours are Monday-Friday 0730-1630. We are currently located in the temporary buildings behind the main clinic, near the VA clinic entrance.

The Ophthalmology Clinic provides medical and surgical treatment for diabetic eye disease, glaucoma, cataracts, eyelid and orbit problems, dry eyes, strabismus and other ophthalmic disorders.

Appointments are available by referral only.

Walk-in service for photostreening is available by referral from your PCM for children ages 2-5 Monday-Friday from 0830-1130 and 1300-1600.
